

Reference List (partly)

Company	Branche	Products
Lufthansa Technik AG	Airplane industry	Anodes
Atotech Deutschland GmbH	Electroplating industry	Anodes, precious metal products
Federal-Mogul (worldwide)	Car industry	Anodes
Shiplely (worldwide)	Electroplating industry	Anodes, precious metal products
ACCEDA Corrosion Engineering AB	Corrosion Protection	Anodes
AHC Surface Technology	Electroplating industry	Anodes
BRAUN GmbH	Consumer goods	Chemicals
Burda Druck GmbH	Print industry	Anodes
Eaton (worldwide)	Car industry	Anodes
Engelhard Clal (worldwide)	Electroplating industry	Anodes, precious metal products
Enthone OMI (worldwide)	Electroplating industry	Anodes, precious metal products
G.E.R.U.S. mbH	Water treatment	Anodes
Gruner + Jahr AG & Co.	Print industry	Anodes
Heidelberger Druckmaschinen AG	Print industry	Anodes
LUXOTTICA S.p.A.	Optical industry	Anodes
Schempp & Decker GmbH	Electroplating industry	Anodes
Sun Wing Trading Co.	Electroplating industry	Anodes, precious metal products
Tyco Electronics AMP GmbH	Electroplating industry	Anodes
USF Recon	Environmental industry	Anodes
BWT AG	Water treatment	Anodes
Dätwyler AG	Print industry	Anodes
Hydrogen Systems	Water electrolyse	Anodes
Gramm	Electroplating industry	Anodes, precious metal products
Heraeus	Electroplating industry	Anodes
Inovan GmbH & Co. KG	Electroplating industry	Anodes
Starkstrom- und Signalbau Procon GmbH	Corrosion Protection	Anodes
SurTec GmbH	Electroplating industry	Anodes
Messier Dowty	Airplane industry	Anodes
IPT GmbH	Electroplating industry	Anodes

Gold and platinum group metal chemistry

- Salts, compounds and solutions
- Gold and PGM electroplating baths
- PGM coated parts

Insoluble Anodes

- Titanium and niobium parts
- Customized anodes
- Special base metals and activations

Shaped Material

- Platinum and platinum/rhodium alloys
